violence prevention center
SOUTHWESTERN ILLINOIS

PREVENTION & EDUCATION

As part of our mission to end domestic violence, The Violence Prevention Center offers a variety of educational programs to local social service agencies, faith communities, schools, and medical professionals to:

- help people understand the dynamics of abuse
- explain services available to survivors of domestic violence
- reinforce healthy relationship behaviors
- and to create a society that doesn't tolerate domestic violence

All programs are free, engaging, and can be customized.

FOR PROFESSIONALS

- Domestic Violence Dynamics
- Substance Abuse & Domestic Violence
- Medical Professionals & Domestic Violence
- Serving Male Survivors
